EXPERIENCE

Pomona College, Claremont, CA

May 2025 - February 2026

Research Assistant

- Rewrote and debugged R package (Sicegar) to improve accuracy and reliability of nonlinear curve-fitting methods
- Developed data visualizations that synthesized complex model outputs into clear, interpretable insights
- Collaborated with faculty advisor and research partners on experimental design, analysis, and interpretation
- Presented weekly research updates to faculty and peers, communicating technical results to diverse audiences
- Co-authored a paper on revised Sicegar methodology; manuscript submitted to the *Journal of Open Source Software*

Pomona College, Claremont, CA

September 2025 - May 2026

Stats Mentor/TA

- Served as a mentor for statistics courses, supporting students through weekly office hours and problem-solving sessions
- Translated statistical concepts into clear, intuitive explanations for students with diverse quantitative backgrounds

Claremont Tutors, Claremont, CA

September 2023 - May 2026

Math Tutor

- Provided instruction in Pre-Algebra, Algebra, and Calculus AB, tailoring lesson plans to meet all learning styles
- Worked with students in 4th grade to 11th grade from around the greater LA area
- Provided individual feedback for students while working with parents and teachers to set goals aligned with school work

Apogee Adventures, Brunswick, ME

May 2024 - August 2024, May 2026 - August 2026

Outdoor Trip Guide

- Led and supervised groups of 12-16 year olds on multi-week wilderness trips, including 105 mile Tour du Mont Blanc
- Collaborated with fellow leaders to prepare and manage trip logistics, including gear, food supplies, and transportation
- Obtained Wilderness First Aid, Wilderness Swim Safety, and CPR Certification

Breakthrough Collaborative, Philadelphia, PA

May 2023 - August 2023

Teaching Fellow

- Designed and implemented Pre-Algebra curriculum, tailored to satisfy the standards of The School District of Philadelphia
- Delivered interactive lessons to a diverse group of learners fostering critical thinking and problem-solving skills
- Worked to build bridges with historically underrepresented groups of 8th grade students in Philadelphia

Germantown Friends School, Philadelphia, PA

2018 - 2022

Camp Counselor

- Designed and implemented a comprehensive summer curriculum, including educational and recreational activities
- Coached soccer, teaching technical skills, strategies, and sportsmanship to campers of various ages and skill levels

SKILLS & INTERESTS
